The SECURITY MAIL CONTAINER is comprised of Dasco's "Outer Security Shell" Item No. NSN 7125-21-906-6842, DDP No. 050-78400. This unit comes complete with a S&G Combination Lock and is approved for storage of classified information up to and including secret for the Government of Canada.

Then a factory installed "Inner Lockable Security Door & Individual Locking Mail Boxes" (NSN 7125-21-912-7696, DDP No. 050-87220). Comprised of eleven mail boxes secured by individually keyed Abloy Executive locks (No. CL-104E). The bottom two compartments are a full 34" wide. This allows designated personnel or branches to retrieve their own mail securely. These containers, when situated in the correct security zone, will create a central mail drop off and pick-up with full access control thus enhancing mailroom openings and closings.

Together, these two units are identified as NSN 7125-21-913-9492 and can be ordered using one convenient part number. DDP No. 050-87221.
